

HAPPY BIRTHDAY, CANADA — Deputy PM Don Mazankowski, Miss Lakeland Kathy Mistol and Mayor Ed Buck cut Elk Point's Canada Day cake.

Deputy PM opens 1986 Canada Day celebrations

There may have been larger, more elaborate and more costly Canada Day celebrations at other points across the nation, but Canada's new Deputy Prime Minister Don Mazankowski chose to come to Elk Point.

"I could have been in Ottawa or Vancouver," he told the wildly cheering throng, "but I chose Elk Point; this, the small towns of the nation, is where it all begins."

Mazankowski commented on this year's Canada Day theme of Transportation and Communication, offering a tribute to the men and women who keep Canada's transportation systems operational and thus "overcoming the tremendous geographic

challenge". He noted that last November was the 100th anniversary of the completion of the trans-continental railroad and that 1986 marks the fiftieth anniversaries of both Air Canada and the Canadian Department of Transportation, and the 150th anniversary of passenger rail transport in Canada, making the theme especially appropriate this year.

The Deputy Prime Minister then declared the 1986 Canada Day celebrations officially open, joining with Miss Lakeland Kathy Mistol, and Mayor Ed Buck to cut the huge birthday cake as the Canadian Forces Base Cold Lake Band played

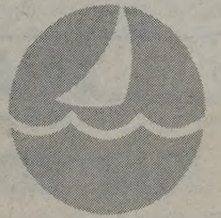

"Happy Birthday Canada".

Elk Point's Outstanding Youths of 1986 were honored during the afternoon's ceremonies, with Guy Robinson, Vice President of Elk Point Chamber of Commerce; June Stone and Bill Ference from the County of St. Paul; Mayor Ed Buck and MLA John Drobot presenting plaques and gifts to Rhonda Pinder and Blair Capjack, two young people who have made significant contributions to the Elk Point community through their good citizenship.

Also recognized at the ceremonies was Sid Holthe, who was at Canada Day as an

Lioness parade is best ever

The Elk Point Lioness Club celebrated Canada Day with a long and colorful cavalcade of musicians, dignitaries, horses and riders, brightly decorated bicycles and floats, holding audiences along the 20-block route-entrance for nearly half an hour at any given point.

Judging the numerous entries was a difficult task for the Lionesses this year, due to the large number of attractive entries, and resulted in several ties.

The Elk Point Saddle Slickers 4-H Light Horse club took top billing in the Clubs and Organizations category, with their lengthy entry which featured a bright red barn and a live pony on their streamer-decked float, which was accompanied by a number of riders on horseback. The richly embroidered costumes and handsome red, white and black decorations earned the Ukrainian dance Club second place honors, with a third-place tie between the humorous Oilettes entry, complete with pink oil derrick and gossipy gals with a variety of telephones, and the Elk Point 4-H Beef Club with their entry keyed to the parade theme of transportation and communication.

First-time entrant Marilyn Cochrane was given first prize in the Horse and Rider category, with the Stoney Lake Stampede

Association and Myrna Golden tied for second place and Grant Asmus placing third.

There was also a tie in the Decorated Bicycles category. Jennifer Doucet placed first, with Michelle Hutton second and Craig Hutton and Joshua Pearson tied for third.

In the Individual entries class, the lone entrant and first prize winner was Elmer Van Riper of St. Paul, with his latest display of animated woodcraft animals and figures.

The Co-op's two vehicle entry attracted the eye of the judges in the Commercial category, which included a full dozen floats and vehicles. Westmin Resources topped their entry with a working pupjack and two hard-hatted candy tossers for second place, while Lakeland College's two lovely ladies in gowns and mortarboards smiled their way to third prize.

Two elderly automobiles made up the Antique Vehicles category, with first prize going to Bill's Antiques and Collectibles of Two Hills and second prize going to Larry Demchuk.

The lone entrant and winner in the Canada Day Theme category was the Elk Point Historical Society, whose float featured the musical stylings of "Spanish Lace and Loose Change", a Vermilion duet.

JUST HORSEING AROUND — Won the Elk Point Saddle Slickers 4-H Light Horse Club first place in the Clubs and Organizations category of the parade. Some

of us are still wondering who lifted the live horse onto the float!

Hire-a-student placements up

Greg Roszell of Hire-A-Student says that both enrolment and placements for the program are up from figures from this time last year.

One hundred and ninety-seven full-time placements had been made by last Thursday, as compared to approximately 135 by this time in 1985. Seventy casual workers have also been placed.

A total of 370 students from St. Paul and Elk Point have enrolled in the job placement program, which is also more than last year, Roszell said. Potential

employees range in age from twelve to university students in their early forties.

The larger number of students gives potential employers a better selection to choose from, Roszell commented. The students are looking for jobs at "pretty well anything", from babysitting to photography to manual labor.

Roszell is at the Town Office in Elk Point on Thursday afternoons and spends the rest of the week in the St. Paul HAS office with co-worker Karla Rippin.

Either may be contacted at 645-6019 for more information on hiring a student or listing one's name to find a job.

Employers in Elk Point are scarce at the present time, with only one waiter / waitress position available. Potential employers are urged to call in as numerous Elk Point students are still available.

The Town of Elk Point has been an exceptionally good customer for HAS, Roszell noted, hiring over twenty students for their summer work load.

observer for the first time. Holthe served as Chairman of the Canada Day Committee until last year, when he was co-Chairman with this year's Chairman, Karen Reed, and has spent each Canada Day on centre stage, in the thick of the action.

Mrs. Reed presented one of three Canada Day commemorative pins sent to the Elk Point committee to Holthe in recognition of his past efforts, saying "Now I've done this myself, I sure know what he's done!" Holthe said he felt the pin "was presented not only to me, but to all the committee members of the past" and added that he was proud to have been a part of the celebrations each year.

A colorful multicultural program and a variety of sporting events filled the balance of the afternoon. On-stage entertainment included the Elk Point Ukrainian Dance Club, St. Paul's Les Bles D'Or, Scottish dancer Shelley Goad, Edmonton's Veselka Dancers, the F.G. Miller High School Grade 7 Band, Native Hoop Dancer Jerome Youngchief, jazz dancer Gail Fakeley, jazz vocalists 'Spanish Lace and Loose Change' and the ever-popular Prairie Ramblers.

Nail driving, log sawing, and horseshoe competitions, along with egg races and a tug-of-war entertained the more athletic adults, while kiddies of all ages enjoyed a variety of races and the annual Pie Eating Contest.

YOUTH OF THE YEAR — Blair Capjack is presented with a commemorative plaque by Chamber of Commerce Vice-President Guy Robinson.

YOUTH OF THE YEAR — Rhonda Pinder accepts a gift from June Stone, Town of Elk Point representative to the County School Board.

Al "Boomer" Adair, Minister responsible for the Northern Alberta Development Council (NADC) has announced that Dr. Bob Elliott, MLA for Grande Prairie, has been appointed chairman of the Council. Also announced, was the appointment of John Drobot, MLA for St. Paul, to serve as the second MLA on Council. Mr. Drobot said he will enjoy being a Council member since he is committed to northern concerns.

Dr. Elliott said, "I'm looking forward to the new challenge, because I have first-hand knowledge of the value of the NADC to Alberta's North." He added that he has no illusions about having inherited an easy post. "Northerners keep us hopping," he said. Saluting youth

The future of a country lies with its youth.

Judging from the young people our own area has to their credit, Canada's future is assured.

We have exemplary young citizens, who have contributed in many ways to our community life, such as our Youths of the Year, Rhonda Pinder and Blair Capjack, and our beautiful and talented Miss Lakeland, Kathy Mistol.

We have talented youngsters who help to keep their culture alive, like the Elk Point Ukrainian Dance club, and gifted

young performers such as the Grade 7 Band and jazz dancer Gail Fakeley who add music and rhythm to our lives.

We have the members of our 4-H clubs, whose knowledge of agriculture and handicrafts, and the Army Cadets, whose lessons in lifeskills and discipline, will stand by them in the future.

We even have some young artists, such as our poster contest winners, who will make our future colorful with their talents.

Our young people are our greatest resource, and we salute them all.

One of our major crime problems in the Elk Point District is "Theft from Vehicles". By this I mean the theft of valuables from the interior of the vehicle such as radios, cassette players, cassettes, tires, and equipment. There were 58 reports of incidents during 1985.

A close look at these incidents indicated the following:

June, July, August, and September were the months of the highest incident. Thursday, Friday, and Saturday are the peak days of the week. The Town of Elk Point is the hardest hit area, with Heinsburg, Fishing Lake, and Frog Lake reporting in that descending order. Night time is, of course, the major time of incident.

We are about to embark on a Crime Prevention Program called "Lock It or Lose It". It was originally designed to prevent the theft of vehicles but

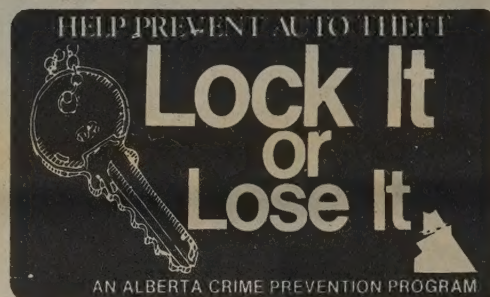

is just as applicable for theft from vehicles.

Our strategy is to check vehicles parked in our high crime areas to ensure the vehicle is locked. If the vehicle is found to be unlocked or valuables are left in truck boxes, we will attach a "Lock It or Lose It"

sticker to the glass on the driver's door to remind the owner of his vulnerability.

The best prevention is to have you co-operate and lock up your vehicles, with your help we may be able to eliminate some of this problem.

Have a safe week.

Letter to the Editor

Victims of violence

Dear Editor:

As parents of murdered children, we were appalled when Clifford Olson was allowed to profit from the deaths of our children. We were further horrified when a British Columbia Appeal Court returned the money to him after we had successfully fought a long battle to have the money taken from him.

The fight to recover the money from Olson has been costly and we sincerely appreciate the support we have received from many across Canada. The people of Elk Point have been extremely generous in their support, and we wish to thank the people in Elk Point who have sent in donations to assist us in our fight for justice.

Our appeal to have our case heard by the Supreme Court of Canada was heard by the Supreme Court on June 23 and a decision is expected later this summer. Hopefully, the Supreme Court will hear our case, and if we win, it will set a precedent in that child murderers might never again be allowed to profit from the deaths of their victims.

Any further donations to assist us in obtaining justice can be sent to Victims of Violence, Provincial Court House, 1A Sir Winston Churchill Square, Edmonton, AB T5J 0R2.

Again, we thank the people of Elk Point for their support.

Dewberry School hosts reunion

By Shirley Osinchuk

Fifty-six years ago the school was opened in Dewberry. On Saturday, June 28, 1986, thirteen of that original "Class of 1930" were riding on a float through the Village of Dewberry. Over one thousand "alumni" and families, who have been associated with the school over those fifty-six years, were cheering them on. The Dewberry School Reunion was officially underway.

Those on the "Class of 1930" float were Stella Anderson, Hazel Anderson, Olaf Lunden, John Anderson, Edith Anderson, Ralph Lunden, Ervin Garnier, Milton Brett, Ralph Braithwaite, Margaret Wood, Robert Brett, Don Braithwaite, and Lola Isert.

The school, past to present, the Post Office, local businesses, 4-H and Boy Scouts, antique vehicles and dignitaries were also in the parade. The sun shone on Dewberry and the breeze kept the temperature just short of being too hot. Friends met after many years, while registration went on in the hall, and all over town people looked each other straight in the name-tag, looking for a clue to the name that was on the tip of the tongue.

By banquet time, five hundred and thirteen former students were registered and fifty-seven teachers. Their families swelled the number to over one thousand.

In the arena, Chairman Bob Gray welcomed everyone to the Dewberry Reunion, and introduced Mr. Angus Smith, the Master of Ceremonies for the evening. Mr. Smith asked for a moment of silence to remember all those students and teachers who have passed on.

Russel Garnier introduced several special guests: M.L.A. Doug Cherry and his wife Marlene, who taught in Dewberry, Mayor Gertrude Blacklock, Frank Wheat who is councillor for Division 6 to the east, Ann Dennills and Clarence (Jiggs) Goldsmith who are the school trustees, Lillian Ewen who has taught in Dewberry for 23 years, the longest of any teacher, Neil Jones and John Anderson, both former trustees for a long period of time.

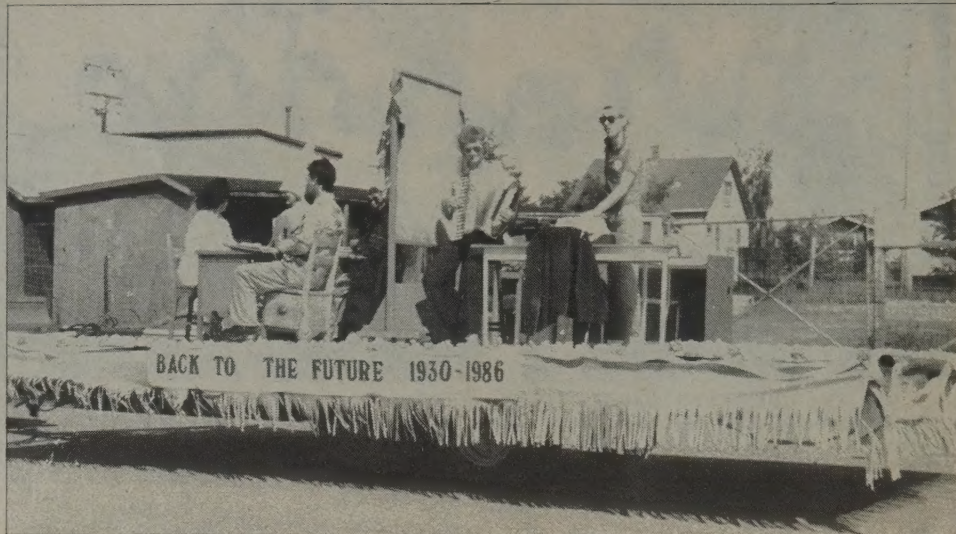

Wes Kruger said grace, then Mable Garnier and her assistants served a delicious roast beef dinner.

After dinner, Angus Smith, who was Principal of Dewberry School from 1953 to 1957, and an organizer of the reunion, expressed appreciation to Mable Garnier and her crew for the delicious meal just finished.

Cheryl Jones Cumbee, former student, thanked the fifteen committee members for all their work. Charlotte Butz and Leona Fulton made a special presentation to Phyllis Ewen, committee secretary, for her tremendous effort, efficiency and diplomacy, in organizing the reunion.

Every one hundredth person to register at the registration desks received a door prize. These were Mildred Molineux, Bob Mathison, Don Braithwaite, Keith Willisroft, and Evan Finaly. Warren Finlay received a gift for coming the longest distance, from Atlanta, Georgia. The family with largest number of members present, the family with three or more generations attending Dewberry school and the teacher from the earliest years were also awarded prizes.

Former student, Edith Reyda, reminisced on the years 1930 to 1940.

"BACK TO THE FUTURE" FLOAT — Dewberry School float representing all Dewberry teachers from 1930-1986. Representing the early days are Lillian Ewen who's been the longest member on this staff and Sandra Lawson, Randy Ewasiaik and Joyce Larson.

Representing school today is Loretta Bowman in her usual teaching position and Brent Pitts, Deb Grey and teacher's aid Dallas Guernsey. Our principal centres the float ready to deal with any bad kids.

She paid tribute to the trustees who put so much emphasis on advanced education.

Martin Bruce, principal from 1942 to 1952, spoke about the years 1941 to 1950. At least four of the teachers on his staff were present. It was his "Thrill of a Lifetime" to be there in Dewberry for the reunion.

Bruce McFadyen, a 1954 graduate, spoke about the years 1951 to 1960. He remembered best the sports and especially the hockey rivalry with neighbouring communities.

A musical interlude was presented by the HIS group, leading the singing of the old tunes, "Memories", "It Had To Be You", and "Are You Lonesome Tonight?".

For the years 1961 to 1970, Malcolm Gray spoke, thanking the HIS group and the reunion organizers. He remembered his classmates, many of whom were present, the developments in the area, and anecdotes from 1952, when he was a little fellow from Greenlawn, just starting school.

1971 to 1980 were the years Jim Krauss remembered. He was a teacher in Dewberry for six years. He noted that there has been change, as there always is, but that some of the good things never change.

"David's Crew" of present day students and their friends, presented 1981 to 1986 with a skit. David Whiteside, Sherry Durnin, Heather Hancock, Mitch Hancock, Tammi

Robinson, Jason Robinson, and Kimberly Blacklock commented by means of a skit on parent-child relationships, which are much the same now as they have ever been.

The HIS group closed that part of the evening, leading the singing of "We'll Meet Again".

Dancing and more visiting and much more visiting went on far into the night.

Allan Gray is preparing a video tape of the reunion. Anyone interested in getting a copy should contact Bob Gray.

Sunday morning, under hazy skies, the reunion continued in the arena with a pancake breakfast. Did Mabel Garnier and her crew sleep at all that weekend?

At 11:30 there was a non-denominational church service in the school gym. "Happy Birthday" was sung to Loretta Bowma, for that day and for Deb Gray for the next Monday, June 30.

The HIS group, Meredith Whiteside, Bonnie Robinson, Lorraine Whiteside, Shelly Johnson and Deb Gray sang several gospel songs and spoke briefly of their purpose in singing and their personal beliefs.

Cheryl (Jones) Cumbee spoke on "Coming Home".

The "Holmen Sisters", Loretta Bowman, Jean Bowman and Anne Elliott, sang "Bring Us Together, Lord" and Marion Ryan and Heldy Maddex sang "Mansion Over the

Hilltop" and "I Believe".

Bob Dybvig sang "God Watches Over The Cowboy". His message was based on Joshua 24:14, 15 and Revelation 20: 11-15, from which he drew a parallel between choosing to be at the reunion after receiving a personal invitation, and choosing to accept Christ as Saviour and knowing that eternal life is assured.

After church it was time to eat again, this time a light lunch served in the Dewberry Hall.

That was the end of the organized events, but the museums at the Holmen farm and in Dewberry were open to visitors, as well as the Senior Citizens' Centre and the school, and the visiting between friends and relatives went on. The Greenlawn Oldtimers' Picnic on Canada Day, July 1, kept some guest on till then.

Some other "statistics": there were eight teachers present who had also been students in Dewberry school - Loretta Bowman, who is presently teaching there; Leona Fulton, Lavina Barr, Joan Beckitt, Janet Mulgrew, Edna Lampert, Marilyn Kent and Donna Porter.

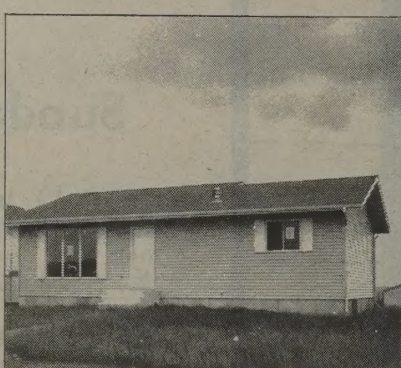

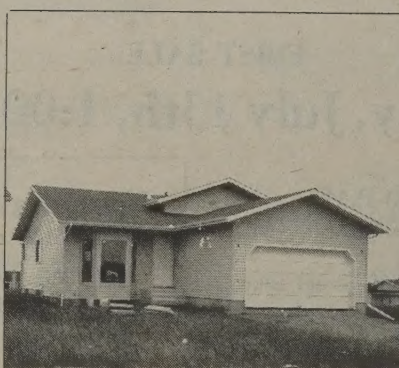

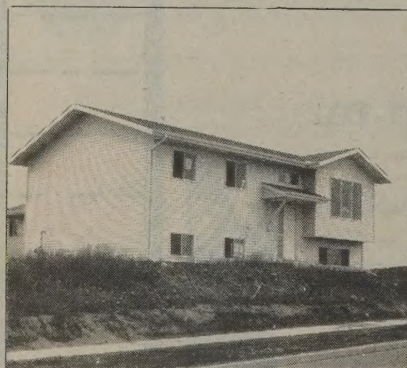

Addresses in the guest book were mainly from Alberta, Saskatchewan and British Columbia, but also included Norcross, Georgia (Warren Finlay); Thornhill and Mississauga, Ontario; Scottsdale, Arizona (Cheryl Cumbee); Deming, New Mexico (Dorothy Edwards); Menomonee, Wisconsin (Kim Hansen); Seattle, Washington (Ole Lunden). Lyn Webb from Queensland, Australia was present with former student Kelly Gray, and Mr. Ralph McGray, 96 years of age, was there on his annual visit from Los Angeles, California.

Congratulations to the Dewberry School Reunion Committee for a very successful reunion weekend.

NADC annual report released

Bob Elliott, Chairman of the Northern Alberta Development Council (NADC), has released the Council's annual report for the year 1985-86.

Council's activities over the term ranged from submitting recommendations regarding planning and funding related to drainage and erosion control, to presenting briefs on drought conditions and rail service, to initiating a review on telecommunications in northern Alberta, to putting forth a detailed reaction document on the proposed Native Education Policy Statement.

Elliott said: "Of major importance was the review of economic opportunities in this region. This printed report led up to the highly successful Challenge North conference in Fort McMurray." He added that it was at this Conference that a highlight of the North's year occurred — the signing of the new Canada/Alberta Northern Development Agreement by Al "Boomer" Adair, the Alberta Minister of Regional Industrial Expansion. Elliott said that the Council had advocated just such an agreement for a considerable time.

Much of Council's work has its genesis in briefs submitted by the general public at one of the Council's open meetings. During the past year, 189 briefs were presented at six public meetings. Elliott said: "Each of the briefs was reviewed in detail by the Council and each was acted upon

in an appropriate way." He said that the status of any brief may be obtained from the Northern Development Branch in Peace River.

During 1985-86 briefs were received from Fort Chipewyan, Fort McKay, Grouard, High Prairie, Slave Lake, Sandy Lake, Chipewyan Lake, Blue Ridge, Fort Assiniboine, Widewater, Swan Hills and Whitecourt in the central region; 57 from Athabasca, Bonnyville, Caslan, Cold Lake, Elk Point, Grand Centre, Lac La Biche, Glendon, St. Lina, Boyle, Plamondon and St. Paul in the southeast region; 47 from Fairview, High Level, La Crete, Manning, Worsley, Keg River, Fort Vermilion, Deadwood, Cleardale, Brownvale and Peace River in the northwest region; 21 from Clairmont, Beaverlodge, Grande Prairie, McLennan, Tangent, Rycroft, Falher, Eaglesham, Spirit River and Grande Cache in the southwest region; and 13 from Edmonton and other points outside the NADC boundary.

In addition to follow-up and recommendations arising from briefs, the Council is also involved in workshops, seminars, and conferences, some of which are the direct result of former briefs presented by the public.

In 1985-86, Council sponsored a Hardwoods Seminar, took part in an information exchange and discussion with the Alberta Water Resources Commission; met with the Deputy

Minister of Municipal Affairs; participated in an orientation workshop with members of the newly-formed Saskatchewan Northern Development Advisory Council; coordinated Fort McKay oil company/local community discussion meetings; participated in developing a tourism School Curriculum Project with Game Country Tourist Zone, Travel Alberta and Alberta Education; and provided input to such interdepartmental committees as transportation, water and sewer delivery, resource development, housing, tourism, agricultural research, local government and infrastructure provision in northern communities.

"It has been a year of hard work but a satisfying year nevertheless," Elliot said. "Looking back on it — on the six public meetings where 189 briefs were presented, on the conferences, workshops and seminars — it is clear to me that Council is doing a good job of meeting its mandate." He pointed out that a major objective of Council is to increase public participation in the planning and design of government services in the north.

Elliott commended the eight private sector members of the Council for their hard work and dedication.

The NADC Annual Report may be obtained from the Northern Development Branch in Peace River.

Lakeland Theatre plans

The Lakeland Theatre Company has decided to continue its youth section during the summer months. Youth co-ordinator, Billie Milholland, says that there won't be a summer production due to the unpredictable holiday schedules of the younger members, but, with cooperation from F.C.S.S., there will be work sessions Monday afternoons and all day Fridays. At the work sessions the young people will be able to construct giant, paper mache creatures to wear for the fall celebrations, now being planned. Any young people who have

time on their hands this summer and would like to create wonderful things, are invited to come to the F.C.S.S. gymnasium, Monday, July 14 at 1:30 p.m. for the planning meeting. Young people in this program will work in teams or on their own to construct paper mache creatures that will be limited only by their imaginations. Older teenagers may be interested in registering for the fall bed races. For further information phone Billie Milholland, 724-3886 or for the bed races, phone Chris Boulter, 724-3886.

Heinsburg 4-H news

By Doyle Skolarchuk
Club Reporter

The April meeting was held at Laboucane's with two guests from the Elk Point 4-H Beef Club present.

On April 12, 1986 the Woodwork, Crafts and PeeWees held their Achievement Day at the Heinsburg School. The judges made comments on all entries in regard to workmanship and presentation of articles as well as hints and suggestions of ways to improve displays and/or projects. The club extends a huge thank you to the judges for all their time and comments.

On April 19 and 26, 1986 a group of club members, along with the assistance and guidance of some parents, sold lunch at auctions sales. These proved to be tiring but profitable days. The evening of April 19, Mr. and Mrs. Thomson took the Thomson and Skolarchuk members

to St. Paul for an Air Guitar Contest. This proved to be a very enjoyable as well as a learning experience for those who participated.

May was a relatively quiet month as far as planned activities were concerned but much preparation and organizing was being done by club leaders and parents in preparation for the Beef Achievement Days. This month's meeting was held at Barstad's home. Much organizing has been done this month for the ordering of club jackets.

The Beef Club held their Club Level Achievement Day on June 1, 1986 with

Walter Dietz from Vermilion doing the judging. He gave the members many pointers and suggestions in all areas of the showing and grooming of a calf. Since this is the first year these boys have participated in the Beef Club, his guidance and expertise was much appreciated by the parents as well as the boys. Grand Champion Steer - Henry Thomson, Reserve Champion Steer - Jason Gunderson and third place to Bradley Gunderson. In Showmanship: first - Henry Thomson, second - Jason Gunderson, third - Bradley Gunderson. In Grooming: first - Bradley Gunderson, second - Jason Gunderson, third - Henry Thomson.

Congratulations on a job well done goes to the boys in our Beef Club.

Following the show and judging a weiner roast with all the trimmings was enjoyed by all those in attendance.

On June 9, 1986 the boys and their parents with their calves travelled to St. Paul for the District Level Calf Show and Sale. During this day the boys learned a lot about training, grooming and showing their calves.

During June the club also sold lunch at two auction sales to raise more money for club jackets. Our June meeting was held at Best's home.

Our next meeting is to be held at Whitney Lake on July 10, 1986 at 7:30 p.m. Plans will be finalized for our camp-out at Long Lake which is to be held July 19-20/86. After the meeting we hope to have a weiner roast.

ERCB well blowout report

According to the 1985 Oil and Gas Well Blowout Report issued today by the Energy Resources Conservation Board, the performance of crews drilling critical sour wells during 1985 was commendable. Indeed, the performance of drilling crews on all wells was substantially better than in 1984, but further improvements is desirable. The ERCB will continue to place a high priority on rig inspections.

An estimated 440 drilling rigs were operating in Alberta during 1985, the same as in 1984. However, 8500 wells

were drilled in Alberta last year, compared to 6600 in 1984, a 29 per cent increase.

During 1985, only one of the 8500 drilling wells blew out, compared to 4 in 1984. The single 1985 blowout occurred at a drilling oil sands well when an unexpected shallow pocket of sweet gas was encountered.

There were no blowouts at the 32 critical sour wells being drilled in Alberta last year.

Twenty-one blowouts occurred among 76,000 active wells in Alberta

during 1985. Of these 21 blowouts, 10 occurred at producing oil sands wells where control was regained within 12 hours. Of the remaining 11 wells, 3 blowouts happened at producing gas wells, 3 at producing oil wells and 5 at shut-in gas wells. Only 5 of the blowouts resulted in the release of sour gas — 3 at producing oil wells, 1 at a producing gas well, and 1 at a shut-in gas well. Of the 5 wells, only a gas well located near Rainbow Lake, Alberta, released an appreciable volume of sour gas.

The ERCB's field inspectors give top inspection priority to rigs drilling critical sour wells, rigs having historically poor performance records, rigs operating in environmentally sensitive locations, and rigs beginning winter drilling operations. The ERCB requires that when an unsatisfactory item is found, that item must be repaired immediately. The drilling program, however, is allowed to continue while repairs are being carried out unless a serious deficiency is discovered. Then the drilling operation must be shut down until the deficiency is repaired.

During 1985, ERCB field staff conducted 2447 inspections of operating drilling rigs, including 88 inspections of rigs working on 32 critical sour wells. For all rig inspections, ERCB inspectors found 558 deficiencies, of which 327 were considered serious. This compares to 679 deficiency items in 1984, of which 447 were considered serious. Of the 88 critical well inspections, only 2 were deemed unsatisfactory as compared to 5 in 1984. None were serious.

The ERCB's 1985 Oil and Gas Well Blowout Report ST 86-46 provides information about the number of wells licensed and drilled in Alberta, the number and results of drilling rig inspections conducted by the ERCB field inspectors, and statistical summaries of other operational events related to well control. The report also contains statistics and brief summaries for the past 10 years. The report is available for a fee of \$10.00, and can be obtained from the Maps and Publications Counter, ground floor, 640 5th Ave. S.W., Calgary, Alberta. T2P 3G4.
